## SHOW RULES AND REGULATIONS

The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG).

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- g) Refuse admission into the Show hall without giving a reason.
- h) Make an administration charge for any cheque returned unpaid by the bank. The exhibitors entry will be withdrawn from the show until such time as the entry fees plus an additional £10.00 administration charge are paid by that exhibitor. No further personal cheques will be accepted from that exhibitor.

## REGISTRATION

**PEDIGREE SECTION:** All Cats, Kittens and Neuters exhibited at a GCCF Show must be registered. Cats registered on the Reference Register may not be shown in competition. To be effective for entry all registration and/or transfers must have reached the GCCF Office at least 10 days prior to the show. No Cat or Kittens, entire or neutered, born after 19.10.71, with one or both parents, grandparents or great grand parents unregistered shall be eligible for entry into Open Classes.

**Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Please do not omit to Read and Sign the declaration – if joint owners, both must sign the form.**

Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

**HOUSEHOLD PET SECTION:** Please carefully read the instructions in the Household Pets Section of this schedule. All Household Pets over six months of age must be neutered.

## GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'APPLICATION FOR THE TRANSFER OF OWNERSHIP OF REGISTERED CATS' this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by the GCCF no later than 10 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Registration No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details, as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when the show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show management are permitted to accept corrections, at their own discretion, up to the close of the show (on show day). Any

such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated or a change of exhibitor/owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not, and if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and **both must sign**.

**GCCF Rules Section 4 Rule 26** - Exhibitors are reminded that the decisions of the judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge's engagement has been completed may render the offender liable to disciplinary action.

## **STATUS OF ERRORS - WHAT TO EXPECT**

### **MINOR ERRORS**

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry, or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) Spelling errors
- (b) Separation of cat's names that should be one word, and vice versa
- (c) Administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit
- (d) Overseas title preceding the name of an exhibit, sire or dam etc.
- (e) Full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) Breeder joint when single and vice versa

### **INCORRECT DATE OF BIRTH**

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS: Kittens - **not less than 14 weeks** and under 9 calendar months on date of show.

Adults - not less than 9 calendar months on date of show.

### **INCORRECT NAME OF EXHIBIT/OWNER/BREEDER**

If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT	*	Totally incorrect name
REGISTERED OWNER/ EXHIBITOR	*	Joint when they should be single and vice versa Declaration not signed by registered owner/s N.B. The exhibitor(s) must be the registered owner(s) of the cat and <b>not</b> necessarily the person who actually takes the cat to the show
BREEDER	*	Totally incorrect name or names N.B. The breeder of a cat is <b>always</b> the registered owner of the dam on the date of the cat's birth.

### **REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW**

: These entries will be disqualified. Remember, the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

### **TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW**

Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

### **INCORRECT OR INELIGIBILITY OF CLASS ENTRY**

These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the

Show Manager immediately. Exhibits entered into title classes must have qualified on or before the published closing date of the show and the title must have been claimed in writing. Exhibitors who enter title classes without claiming will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

### **CATS REGISTERED ON THE REFERENCE REGISTER**

No cat registered on this Register is eligible to be shown in competition and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised; and then, cats of that breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s).

**The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.**

### **VETERINARY**

Exhibits will be received at the entrance to the show hall from 8.00am until 9.45am on the morning of the show. Exhibits must arrive at the show hall in a suitable, secure container (top-opening recommended) and must be accompanied by the owner or the owner's agent. **If a cat cannot easily be removed from the carrier, it will not be vetted in/judged, such as for Best in Show.** (N.B. This recommendation relates to the amendment to Section 4 Rule 6)

Each exhibit will be examined by the Club's Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit. No exhibit may be penned before being examined. Exhibitors passes will be issued at vetting in – there are no tallies. All cats exhibited at shows held under GCCF rules must have a current certificate of vaccination against FIE, FVR and FCV ("cat 'flu"). The full course, or booster, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Certificates should be available at vetting-in and should be properly completed and clearly indicate the identity of the exhibit and the owner to avoid confusion.

Cats **with an invalid** vaccination certificate will be rejected under Section A. **Cats unaccompanied by a vaccination certificate will also be rejected under Section A** unless the exhibitor undertakes to provide proof of vaccination, **valid for that show**, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office.

N.B. A current certificate of vaccination is one which is not more than seven days past the manufacturer's recommended interval between boosters.

Please note that HOMEOPATHIC VACCINATION cannot be accepted, under GCCF Rules, for the purpose of vetting in.

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by their owners and entry fees are forfeit. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same cattery and the owners shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

### **Section 5 VETERINARY SURGEONS rule 3.**

1. a) All cats exhibited at shows held under GCCF rules must have a current certificate of vaccination against Feline Calicivirus (FCV), Feline Herpes Virus (FHV) and Feline Panleukopenia \* (FPV).
2. The full primary course (first set of vaccinations) in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show.
3. b) Booster vaccinations against FCV, FHV and FPV must be given at the manufacturer's recommended intervals. Where a variable interval of 1-3 years for FCV and FHV is recommended the minimum interval applies. ie all cats attending shows MUST receive annual booster vaccination against FCV and FHV.

For Boosters only note: Exhibitors are advised to leave at least a week between a booster vaccination and show attendance to allow the vaccine to take effect and in case of any adverse reaction.

\* Previously termed Feline Infectious Enteritis

### VETERINARY REJECTIONS

Exhibitors whose cats have been rejected at shows should note the following points:

- a) When sending a clearance certificate to the GCCF Veterinary Officer please include your copy of the rejection slip.
- b) Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed postcard for signature acknowledging receipt.
- c) Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

### NEW RULES COM 1<sup>ST</sup> JANUARY 2017

**Any cat which cannot be handled safely for examination will be rejected.**

**NB. Exhibitors must trim their cat's claws, if necessary, prior to the show.**

#### Section 5: rule 4e

- e. Cats which show obvious signs of lack of attention to hygiene, have sharp untrimmed claws, or in the opinion of the veterinary surgeons are in an unfit condition for show, must be rejected under Section A of the Veterinary Rejection form. Note: Exhibitors should be allowed the opportunity to trim claws prior to a rejection, but should not expect the veterinary surgeon to do this for them at vetting-in. (Amended 15.06.2016)

### PENNING OF EXHIBITS

Sprays must not be used in the hall as spray mist persists in the air and can irritate cats' mucous membranes. Therefore exhibitors are advised to use other means (eg wipes) to disinfect pens before penning cats. If owners wish to bring their own diluted disinfectant, small squeeze bottles which produce no spray are permitted. All disinfectants must be approved for safety and efficacy in cats eg Trigene. Every exhibit must be provided with a white sanitary tray and clean plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed, but white Vet-bed or like material may be used if preferred. A **hot water bottle** or **heat reflecting material** or a **cool pack** may be used, provided they are covered by a blanket in accordance with GCCF rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10am, and may not be returned until 12.30pm. One **small toy** may be placed in the pen after the time announced for the admission of the public. Judges are instructed to pass any pen that is distinguished in any way, other than official notices or award cards. No written or printed matter may be placed on competitive pens – **For sale signs are NOT permitted!** Exhibition pens **only**, may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on condition that the Society shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way. **Please Note** that it is the Exhibitors responsibility to ensure that their cat's pen is safe and secure before leaving the hall.

The Show closes at 5pm or earlier at the Show Managers' discretion. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit.

### NEUTERED KITTENS

Exhibitors are advised that they must notify the Show Manager if a kitten entered in the show as an entire is neutered before the show takes place, even though re-registration or change of class may not be necessary. This is important because if the kitten is male, the judge could refuse to judge the exhibit or withhold an award for cryptorchidism.

### JUDGING AND JUDGES

Judging will commence at 10.00am and exhibitors will be requested to clear the hall at this time until 12.30am, whilst the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is

final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

#### **ADVICE TO EXHIBITORS AS FROM 1.6.92**

- a) You are advised against purchasing any shampoos that change a cat's coat colour or the use of Stress Remedies including Scullcap or Valerian which change a cat's normal appearance or physical reaction as this is forbidden at GCCF shows and will lead to disqualification under Section 4 Rule 14.
- b) Any person whose cats have been rejected under sections C or D must not officiate as a judge or steward, or in any other capacity which requires the handling of cats at shows, until a clearance certificate as required by the GCCF has been obtained.
- c) Queens who are pregnant, lactating or who have kitted within 12 weeks of the date of the show may not be shown.
- d) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing feature.
- e) The use of any kind of spray in the hall is strictly forbidden.
- f) Please note that in addition to the classes you have entered, your cat(s) may also be handled for the purpose of assessing candidates in the GCCF appointment scheme.
- g) It is recommended that you clip the claws of your cat(s) before the show.
- h) Owner's Liability: Please note that Exhibitors (Owners) are responsible for the cost of any veterinary treatment required by their cat/s during the Exhibitor (Owners) absence from the Show hall.
- i) Details from entry forms may be processed by computer.
- j) Advertisements: Exhibitors are advised that advertising the future attendance of their Cat(s) at any GCCF show could lead to disciplinary action and great care should be taken when advertising in magazines, newspapers, newsletters or on the internet.
- k) The GCCF Veterinary Sub Committee wish to remind Exhibitors that cats should not be left in cars.

#### **SHOW WITHDRAWALS AND ALTERATIONS**

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat/s concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering two shows within 13 days will apply. There will be no refund of entry fees if the cat is not present at the show and the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full. **ALL WITHDRAWALS MUST BE IN WRITING.**

#### **ALL ALTERATIONS AND/OR ADDITIONS TO ENTRY FORMS MUST BE MADE IN WRITING TO THE SHOW MANAGER**

No telephone alterations and/or deletions will be accepted. Corrections to your entry form can be made on show day.

**If a kitten is entered as an entire and then neutered before the show, the exhibitor must notify the show manager as soon as possible.**

#### **CORRESPONDENCE**

All correspondence must be accompanied by a s.a.e. if a reply is required.

Any complaint related to the show must be forwarded to the Show Manager within seven days of the show.

#### **NOTICE OF CHANGE**

An announcement on the GCCF website of any alterations or additions to this schedule or in the regulations shall be deemed sufficient notice.

#### **SHOW TROPHIES**

#### **COUNTERSIGNING OF CERTIFICATES**

In the event of a change of judge in an Breed/Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging, that a certificate has been previously awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall count towards Imperial/Championship/Premiership status. If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purpose of requesting a countersignature. You may enter 3 pedigree cats and/or 2 Non Pedigree/Pedigree Pet cats using the entry form provided. If you are entering more, please photocopy the entry form.

For pedigree entries please use your Registration Document to check the spelling of names of the exhibit(s) and the Sire and Dam.

Don't forget to sign and date your entry form and enclose the correct entry fee.

Enclose a stamped addressed postcard so that your entry can be acknowledged.

The form for sponsoring classes can be found at the back of the schedule and if you are joining the Seal and Blue Point Birman Cat Club, the Membership Application form is on page 19.

Don't forget this is a Shared Show. Pedigree cats can also be entered in the Long Haired and Semi Long Haired Cat Club Show. For those in the Household Pet Section you can enter your cat in this show and ONE of the other shows. If your cat is dual entered (this applies to both Pedigrees and Household Pets) and with the exhibit's welfare in mind, **the limit on the number of classes you enter for each show is a maximum of 3.**
